To whom it may concern:

Real Time Systems has successfully completed work with our firm that satisfied all of our control and system integration needs."

We have confidently worked side by side with their team on numerous projects from a \$1,000 to \$8,000,000.

RTS's attention to detail, scheduling and overall project management has enabled them to fulfill their contractual obligations on time and on budget. We have found all of their team to be well trained, friendly and reliable.

I would be pleased to respond to any of your questions.

Best Regards
